Safelite® Solutions appointed to CIECA Board

Northbrook, IL – Michael Lloyd, Chairman of the CIECA Board of Trustees, announced today that Safelite Solutions was appointed to the CIECA Board of Trustees during their May Board Meeting in Madison, Wis.

Kathy Goddard, will represent Safelite® Solutions on the Board. Goddard resides in Lewis Center, Ohio and attended Otterbein College in neighboring Westerville, Ohio. She has spent the last 17 years at Safelite focusing on claims management technology, system integrations and electronic billing programs. Goddard is currently a Quality & Assurance Analyst for the Claims Management Division.

“Safelite welcomes the opportunity to be a part of the CIECA Board,” said Goddard. “We are committed to a common goal of electronic communication within the industry. As part of that goal, we understand the advantage of having a uniform standard that is used to exchange of information independent of the platform and software used.”

About Safelite® Solutions

Columbus, Ohio-based Safelite® Solutions provides property and casualty claims management services to more than 100 insurance and fleet clients, including 19 of the top 30 U.S. property and casualty insurance companies. A subsidiary of Belron® US, Safelite® Solutions operates two national contact centers and manages a network of more than 10,500 claim fulfillment providers.
